Assignment 3: Class discussion and analysis of the K-Pop series My Holo LoveIn-Class Activity

Description

My Holo Love (South Korea, 2020) is a K-pop series. There are twelve episodes in this series. We discuss 3 per class period, watch a few select scenes, and discuss ethical issues as well as some positive aspects of having a hologram helping with day-to-day activities, particularly someone with a disability such as one of the protagonist's. There will be a class discussion and scene analysis on the article "Virtual Technology in Netflix K-Drama: Augmented Reality, Hologram, and Artificial Intelligence."

Question for the discussion board

Prompt for the discussion board: State your position regarding an ethical problem in *My Holo Love* and reasonably defend your position.

> 1. What are the threats of artificial intelligence in the series *My Holo Love*? Specifically, how does Holo violate the Montreal Declaration (https://montrealdeclaration-responsibleai.com/the-declaration/) and/or UNESCO (https://www.unesco.org/en/artificial-intelligence/recommendation-ethics) Recommendation on the Ethics of Artificial Intelligence?

> 2. What threats are most serious? How might they be combated?

> 3. How do they compare to the potential benefits?

Respond to two classmates in 100 words each response.
